This year the DHS Wind Ensemble has been chosen to perform in the 2nd annual Presidents Cup hosted by "Pershing's Own" United States Army Band in Washington D.C.. They were chosen along with 99 other high school bands throughout the country to audition and were among the 8 that were chosen to participate. On April 2nd the band will perform a concert in the Hylton Performing Arts center in Manassas, VA. They will also have an opportunity to have a master class with the Principal players of their section and two of the students will be selected to play alongside the Army Band onstage during their performance.

The NC Music Performance Assessment is an event sanctioned by the North Carolina Bandmasters Association in which bands from around the state perform three pieces of music for judges that will rate the band's overall performance based on many factors such as, but not limited to, tone, intonation, dynamic contrast, rhythmic accuracy, and interpretation.

The high school bands will perform on two separate days beginning at 5:55 PM on Tuesday, March 15th with the Wind Ensemble and the Symphonic Band will perform at 9:30 AM on Thursday, March 17th. Each performance will be held at the Broyhill Civic Center in Lenoir, North Carolina.

Family members are welcome and encouraged to attend.  
Directions to this event will be available on the Davie High Band website.
