Band Camp is in the Books!

The 2015 Marching Band Camp is now in the books. Speaking personally, this was by far the most rewarding band camp that I have had the privilege to be a part of. These students are some of the most dedicated and hard working band members we have ever had. I would like to say a special thank you to each band member for truly "setting the standard for the future." Also, a special thanks goes out to Mr. McCrary, Mrs. Pitts, Mr. Haley, student leaders and all the parents that helped make this year's camp a success!

Band Merchandise

Visit the "Charms" website to order your band merchandise. We offer window clings, hats, t-shirts, long sleeve t-shirts, and hoodies. Under the "Home" tab there is a link to the Charms website. There you can select which items, sizes and quantities you would like to order. Our payment option on the Charms website is still in the process of being setup.

So, to pay for you items, place your payment in a sealed envelope. Be sure that your name is on the envelope and the words "Band Merchandise" and submit it to Mr. Jameson.

Charms Program

This year we are beginning to use an online program called Charms. This program is designed specifically for bands and orchestra programs as an organizational tool, information sharing system, and payment method. Eventually you will be able to make payments online, such as trip payments and band fees or check your band balance, using this program. Each student has an account which has already been setup for them. Under the "Home" tab of our band website (daviehighbands.com), select "Charms" from the drop down list. Enter the school code, *wareaglebands*, and the password is your child's student i.d. number. Please make sure the information under the student profile is correct. If your child is not able to log on, we will correct this issue once school begins.

If you missed the Meeting...

On Thursday evening, July 30th, our annual Band Participation Meeting was held in the DHS Gymnasium. Thank you to all those who attended. If you were unable to attend, a powerpoint presentation as well as handouts that were given out at that meeting are available on the home page of the band website. Please read through the information carefully and if you have questions, feel free to ask. Each student should have received a band handbook. The completed medical form and parent acknowledgement form on the last page are due back to Mr. Jameson by August 28th. This will be the first grade of the year for students.
