Concert Band

Afterburn (2009)

by Randall Standridge

This piece seeks to capture the emotions of flight in a supercharged jet plane: excitement at takeoff; awe at the beauty of the earth; and an adrenaline burst of joy when the afterburners kick in.

Abacadabra (2005)

by Frank Ticheli

Written for and dedicated to the composer's son, a sense of mystery pervades in this piece that is at once playful and serious, innocent and mischievous.

The Headless Horseman (2014)

by John Prescott

In the *Legend of Sleepy Hollow* superstitious schoolmaster Ichabod Crane embarks on a harrowing night journey, chased through the dark by this fearsome specter. The ride begins first as a trot, then canter and eventually a mad dash to escape as the ghostly laughter pierces the air, ever closer to the terrified schoolmaster!

Symphonic Band

Across the Great Divide (2007)

by Rob Romeyn

Across the Great Divide carries us through a day in the life of a cowboy in the American northwest. From a glorious mountain sunrise to the thrill of the rodeo, and closing with a beautiful sunset, you'll experience them all in this wonderful piece.

Simple Gifts (2002)

by Frank Ticheli

- I - In Yonder Valley*
- II - Dance*
- III - Here Take This Lovely Flower*
- IV - Simple Gifts*

In this fine four-movement work, Ticheli pays homage to authentic Shaker music as he, in his own words, "sought subtle ways to preserve their simple, straightforward beauty."

Night Cries (2002)

by Elliot Del Borgo

This engaging work for band is filled with mysterious sounds heard in the night, both real and imagined. Its overall dark and foreboding mood is both intriguing and suspenseful.
